Re: Report for the Society AGM

The Joe Rich 4H Multi Club is pleased to share that the Club is now officially up and running. Registration was held on March 12 and 13 at the Joe Rich Community Hall. There are 17 members consisting of 4 girls and 13 boys. There are also 5 unofficial "Sprout" members who are in kindergarten and have siblings who are official club members.

The first year will consist of introducing the members and their families to all the different aspects of the 4H Youth Development Program. This will consist of exploring different project options, public speaking, demonstrations, judging, record keeping, fundraising, parliamentary procedures, community service, taking part in District 4H events, attending various 4H activities and most importantly...having FUN!!!

The Club Members and Leaders would like take this opportunity to extend our appreciation and thanks to the Joe Rich Ratepayers and Tenants Society, the Society Members and Joe Rich Community for supporting our club and bringing 4H to Joe Rich!
